

Meridian C Notes

SUMMER 2019

Ahh - summer! Time for long weekends, family vacations, and days spent by the pool. However, did you know that every summer there is a spike in account and payment fraud? With Meridian, your accounts are secure and protected so you can always enjoy your time off! These are just a few of our great services that are both convenient and simple to use:

MOBILE BANKING

Check your balances and activity anywhere, anytime with Meridian's Mobile Banking app. Don't worry about remembering your user ID or password, use your Face ID or fingerprint to sign in. No problems, go enjoy your day. Any questions, give us a call at 866.327.9199.

POSITIVE PAY

A powerful tool in the fight against check fraud. Provide Meridian with a list of checks you've issued. If a check presented matches a check on the list - its paid. If it doesn't match the list, we'll report it to you and you'll decide if you want to pay or return the check.

ACH DEBIT BLOCK

Prevent unauthorized electronic debits from hitting your account. You tell us who can charge your account and how much. We'll automatically filter out unrecognized debit attempts.

You work hard for your money and we know you deserve that much needed vacation. Let us help you enjoy your time off without worrying about your money. Happy Summer!

YOUR CASH MANAGEMENT TEAM

Denise Mulligan - dmulligan@meridianbanker.com
Jason Rose - jrose@meridianbanker.com
Melissa Moyer - mmoyer@meridianbanker.com

P.S. We will be hosting a happy hour in the fall, shoot us an email if you would be interested in attending - cashmgmt@meridianbanker.com
